#### IV. Status of moonish American's

10.) The present union states municipal and civil laws and codes of the land are an incorporated unit of self government established by the political powers of the 'General Assembly' of each state of union, and initiated at Philadelphia, Pennsylvania, North America in the year of 1854. It govern 'only' the Right's and conduct of 'white People' (Europeans), Christian's and Jew's, of the 1863 union state's Right's Republic, under the magna charta, The knight's of columbus, code, and the ku klux klan oath. Forever ~~send~~ denies citizenship in the united states Republic (U.S.A) to the descendant's of the moonish Nation in the western hemisphere, erroneously referred to and branded and misnomered as, Negro, Black, colored and African American, Etc., Etc. In Addition;

11.) Egypt, The capital Empire of the Dominion of Amexem (Africa). The inhabitant's of Amexem (Africa) are the descendant's of the Ancient Canaanite's from the land of Canaan, The Moabites from the land of Moab who received permission from the pharaoh of Egypt to settle and inhabit north-west and south-west Africa, they were the founder's and are the true possessor's of the present Moroccan Empire with there Canaanites, Hittites and Amorites brethren who sojourned from the land of Canaan seeking new homes. Their dominion and inhabitation extended from North, South, and Central America and also Mexico and the Atlantis Island's, before the Great Earthquake, which caused the Great Atlantic ocean.

#### V. Indigenous status of Moorish American

12.) The Al-Moroccan (American) continent's are the land of the moons; being North, South, Central America, including the adjoining Island's (Americana/Ameru/Al-morac). True Moorish American have acknowledge claim, and possess, by said inheritance and primogeniture, the freehold status thereto; all unalienable and substantive Rights, to be, to enjoy, and act distinct in our aboriginal customs and culture; and determine our own political, social and economic status of state turning our heart's and minds back to our ancient mother's and father's moons/muuns by divine and natural Law, being Moorish American, we have and possess the international recognized Rights

to determine our own. The supreme court of the united States (in landmark case) of Dredscott v. sandford 68 us (19 Howard) 393 (1857) held that "Negro wether held to Slavery or free were not included and were not intended to be included in the category of citizens (subjects) of the union states Republic (U.S.A). Resultantly, the true indigenous nobles of the Al-moroccan Empire (free moors), beainers of the names/Titles; Ali, El, Bey, Dey and Al are excluded from the union states Republic (U.S.A) Jurisdiction. The True nobles of the Al-moroccan Empire are sovereigns, private, and self governed, by Right Law principles and customs, also the five highest principles of Love, Truth, Peace, Freedom and Justice.

## VII. Origin of morrish Americans

13.) "Status of state"; absent of threat, coercion, or acquiescence to color of Law, a color of office, nor to be subjected to an imposed color of Authority

## VII. Legal Claims

14.) By my 'Proper Person status' being label 'Black' (Three Fiftths of a Person) by the defendant's is unlawful, unconstitutional and denationalizing. All so-called Negro, colored and black people were and are declared label's and names of slavery, as property (Three Fiftths of a Person). These mark's were introduced through the 'Black code Laws' (ex post facto) of 1774 replacing the true nationality and tribal names

of the African moor's, these mark's (Black, negro, colored) was created by the united states, never imported from Africa, and In 1779 Congress ratified these label's and slavery, as an institution.

In 1865, the institution of legal slavery was abolished by the 13<sup>th</sup> Amendment, out went the slave's, the slave mark's (Black, negro, colored) and also the slave master's, furthermore the casting of denationalization by the 'Letter of law'. All people, who are free national's are born with the 'in-alienable Right' to the inherent nationality of there fore-father's, eg. Chinese, German, Egyptian or moorish and any act unlawful or disguised, which deprives a person or people of this birthright, Given by there creator is an act of DENATIONALIZATION and GENOCIDE.

These are first degree criminal violations for any so-called government to enact upon people under colorable amend-ment to it's 'Constitutional Law's', HENCE FORMAL CHARGES! This is enforcing ex post facto laws that violate's Article I section 9, clause 3 and section 10, and also a violation of the 13th Amendment of the U.S. Constitution. Any Court, Person, Public office/officer or any franchise that enforce these law's are criminal liable.

15.) All federal district and circuit court's are created as territorial 'Property' or 'franchise' Court's whose sole purpose is to supervise the management of all community property of the state union pursuant to Article IV, section 3, clause 2 of the U.S. Constitution. A

franchise Court do not act in the Judicial Branch of the government, but rather within the Executive Branch as a Legislative 'franchise' court.

Therefore, by the defendant's compelling this aggrieved moor/moorish American plaintiff 'In Propria Persona' to accept the fictitious charges on the franchise Documents;

a.) make Right's guaranteed by the constitution no longer unalienable. An 'inalienable' Right is one that cannot be sold, bargained away or transferred to the government by 'ANY' method, including the authority of law and specially by the mechanism of franchise

b.) Destroy's the separation of power's between the Judicial and Executive Branches.

c.) violates the mandate of the constitution Article IV Section 4, to protect every state (People) from invasion by either other state (People) of the federal or national government. Any attempt to destroy Right's, and specially through compelled participation in franchise, is invasion in every sense of the word, even though not physical or military invasion.

16.) The defendant's are compelling this aggrieved moor/moorish American plaintiff 'In Propria Persona' to accept the duties of the franchise or accept the obligation of 'public officer' or the 'straw man' that's attach to it without Compensation and this is engaging in involuntary servitude in violation of the 13th. Amendment, 18 usc 1581 and 42 usc 1994 (Peonage). Also, any court that tries

to compel this the plaintiff to accept the duties of a franchise that they cannot prove consent on the record to participate, they are also abusing legal process to enslave, in criminal violation of 18 usc 1589(3) and owe mandatory restitution pursuant to 18 usc 1593

Furthermore, this is fraud by trying to impersonate me to be a public officer, in criminal violation of 18 usc 912, I'm not here as a public officer and the defendant's are compelling me to act like one without compensation and without legal authority. What has been stated above the defendant's are violating the 5th Amendment (Taking clause) and 18 usc 654 (Conversion), theft, by converting my private property to public use without consent. no one may lawfully compel this aggrieved moor/moorish American plaintiff *In Propria Persona* to accept the duties of any franchise or public officer, neither congress nor any judge without my consent.

17.) Furthermore, information/records the defendant's have in their possession to prove there authority to continue holding plaintiff as an 'Political Hostage' is fraudulent and void ab initio due to false statements and identity fraud that is on them record's, which is a violation of 18 usc 912 and 26 usc 7206, not only that, everything that's on the defendant's record's is 'Prima facie' evidence according to 1 usc 204, Consequently is nothing more than a presumption. A presumption is not evidence, it is a violation of due process of law to

treat them as evidence, and a judge have no delegated authority to turn them into evidence. If a Judge turns a presumption into evidence he/she in fact, establish a state sponsored religion in violation of the 1st Amendment. (Establishment clause)

18.) Furthermore, The organic united states Republic Constitution (derived from ancient moabite/moorish Law) remain's 'The supreme Law of The Land' and all treaties made, or which shall be made, under authority of the united states Code of Title 4, chapter 1. Any law repugnant to the constitution, shall remain 'colorable' and is null and void. Marbury v. Madison 5 U.S. 137, 174, 176 (1803).

Any municipal officer, Person, Personnel, Employee or contractor who violates the Right of the people are subjected to suit in their personal and/or official capacity.

19.) Therefore, without a valid Contract, agreement, a meeting of the mind's of a foundational instrument with this aggrieved moon/moorish American bonafide signature 'In Propria Persona' on it requiring specific performance, with tender payment and placed on the record's, the The united states by way of The Commonwealth of massachusetts, and any franchises or any public office / officer has no legal standing's, thus Jurisdiction to further unlawfully and unconstitutionally hold this moon/moorish American captive in their custody or any custody et al.

20.) In addition, to what was stated above and throughout, Each and every defendant are all using fraudulent record's that does not identify this moon/moonish American "In Propria Persona" (Proper self), Instead identifies a "Corporate entity" (ALFRED DARNELL LANE), who's label "Black" (Three fifth's of a Person) with a "social security" number this moon/moonish American doesn't own (see, 20 C.F.R. 422.103(d)). These fraudulent record's are being used to continue holding this moonish plaintiff as a "Political Hostage" and to subject this moon to policies/procedures that govern slaves.

Furthermore, The defendant's are "Public officer's" of the government and can only execute the office in a place EXPRESSLY authorized by congress, pursuant to 4 usc 72, which mean "ONLY" in the District of Columbia and "NOT ELSE WHERE". These act's that's being committed against this moonish plaintiff by the defendant's, that been stated above and throughout, are unlawful, unconstitutional and denationalizing, which is a federal and international offence, and ignorance of the law is not an excuse!

### VIII. Exhaustion of Legal Remedies

21.) This moon/moonish American sovereign "In Propria Persona", 'Sui Juris' (not Pro se nor colorable) has exhausted the Administrative process. Now this complaint is properly before court. (see. Exhibit C)

## IX. Demand for Relief

22.) Wherefore, this Moorish American Sovereign respectfully demands that this Court enter judgement.

a.) Granting Moorish Plaintiff a declaration that the acts and omission described herein violated the Right's under the constitution and laws of the United States and;

b.) A preliminary and permanent injunction ordering defendant's, Dean Gray, Superintendent and Chief of staff, Shawn P. Jenkins to cease applying D.O.C. policies to Moorish plaintiff.

c.) Granting Moorish plaintiff Compensation damage in the amount of \$ Ten million against each and every defendant, jointly and severally.

d.) Granting Moorish plaintiff Alfred Lane-Bey compensatory damage in the amount of \$ Ten million against the Corporate entity ALFRED DARNELL LANE T 98017
